BRN29 100 x 100mm

BRN30 100 x 100mm

BRN31 100 x 100mm

BRN32 100 x 100mm

By 1st October 2004 service providers will be required to make "reasonable adjustments" to the physical features of their premises to ensure disabled people, customers and employees, can use their services more easily. This includes the provision of accessible signage, which is an essential element in gaining access to those activities.

standard braille & tactile signs

Plan your DDA strategy with our range of stock signs. If there is a sign you require which you cannot find in our standard range, give us the specifications and we will manufacture it for you.
